

# Living Good Relationships

Week beginning 28 February 2010

## Welcome

How was disobedience handled in your family

## Worship

As the bride of Christ, what beautiful things can you offer to God in worship. Prepare some objects of outer and inner beauty (Idea: Before the meeting ask people to bring their own objects with them) Use them as a focus for how God sees beauty.

## Word 1Pet 2:13 - 3:7

When it comes to submitting to authority where do you draw the line?  
How can Christ's example help when you're mistreated?  
What have you admired about the marriage of other people you know?  
What does it mean for a wife to submit to her husband?  
In what ways can a husband be considerate to his wife?  
Why are wives asked to submit to their husbands and husbands asked to be considerate. Are they the same thing?  
Is this order relevant today? Relevant to single people?

## Witness

Prayer for those suffering for doing good - both here and overseas.
