

# Easter Preparation: Mind

Week beginning 21st March 2010

## Welcome

Would you ever think of giving up your life for someone else?

## Worship

Looking forwards to Easter, mediate for a short while about what it cost Jesus to die on a cross: the pain and suffering; leaving His friends behind; being separated from His Father; leaving this earth; His rejection by many people of His day.

Share these thoughts. Choose a couple of songs that reflect on this.

## Word

Romans 5 v6-10

- When was, *just the right time* (v6)?
- Is all mankind powerless (v6)? Surely there must be something that we can do?
- Is there a difference in meaning between the ungodly (v6), sinners (v8) and God's enemies (v10)
- What does it mean to be *justified by His blood* (v9)?
- Why was it necessary for Christ to die for us? Could God have done something else?
- If Christ loved us when we were *still* sinners, does He love us even more now?

## Witness

Make your plans for the Passover meal that will be shared in your cell next week. How will you open your event to other people and who will you specifically invite?

(There won't be a Maunday Thursday service in St Michael's next week. People not in cells will be encouraged to join one to participate in the meal.)
